### WAKE UP, NO WAKE PADDLE

Before the motors start on the lake, learn how to use a stand up paddle board (SUP) while the waters of Elkhart Lake are calm and wake-free! During the first ten minutes we'll teach you the basics: how to get on, stand up, and navigate your SUP. Then we'll head onto Elkhart Lake for a picturesque paddle.

Parents are encouraged to join their kids!

Please register 24 hours in advance.

Meet at Watersports.

### TEENS & TOES

Summer is the perfect time to wear sandals and show off colorful nails! Choose your favorite color for a special pedicure and have great looking nails the rest of your stay. Pamper yourself in our award-winning spa. Appointments are required.

Please call ext. 5843.
